Business Solution Analyst Remote

Description

Lume Consulting Group a Sacramento based IT consulting company is hiring a Business Solution Analyst with State of California PAL Stages 2, 3, and 4 experience.

•

Qualifications

Mandatory Qualifications:

- 7 years' experience as an IT Business Solution Analyst
- **Must have** at least 3 years of experience on State of California **PAL Stages 2, 3, and 4** for projects with budget exceeding **\$2 million** in implementation costs.
- 5 years of experience with process analysis & mapping (ex. **As-Is & To-Be**); systems analysis.
- 5 years' experience working with **Agile software development** and implementation
- 1 year of experience applying analytical processes, business systems analysis and design on **Scientific Solutions**. A scientific solution would be recommending preferred materials to use when building a house to reduce the risk of chemical exposure. Example science fields: geological, physical, chemical, and biology.
- **Certified** Business Analysis Professional (CBAP®) from the International Institute of Business Analysis (IIBA) or Project Management Institute Professional in Business Analysis (PMI-PBA).
