ServiceNow NowAgent and NowMobile Developer Fully Remote

Description

Lume Consulting Group, a Sacramento-based IT consulting company, is seeking an experienced **ServiceNow NowAgent and NowMobile Development Expert**. The ideal candidate will have extensive knowledge of ServiceNow's mobile capabilities, including NowMobile, NowAgent, and CMDB skills. You will play a crucial role in enhancing our mobile applications and optimizing agent workflows to improve user experience.

Responsibilities

Key Responsibilities:

- Design, develop, and implement mobile applications using ServiceNow NowMobile.
- Create and refine agent workflows with NowAgent to streamline information delivery.
- Utilize CMDB skills to ensure data integrity and effective asset management.
- Collaborate with stakeholders to gather requirements and translate them into effective mobile solutions.
- Troubleshoot and resolve issues related to mobile development and deployment.
- Stay updated with ServiceNow releases and best practices to ensure optimal use of tools and features.
- Provide expert guidance and mentorship to junior developers on the team.

Qualifications

Qualifications:

- 5 Years experience in ServiceNow mobile development, specifically with NowMobile and NowAgent.
- Strong understanding of CMDB and its application within the ServiceNow platform

Certification:

- **ServiceNow Certified Application Developer (CAD)** – Highly recommended.
- **ServiceNow Certified System Administrator (CSA)**
