Senior Project Manager ServiceNow Delivery (Remote)

Description

Lume Consulting Group is seeking a **Senior Project Manager** with extensive experience in IT project management. This role will oversee **ServiceNow** implementation projects, managing scope, schedules, budgets, and resources. The ideal candidate will have **PMP certification**, expertise in Agile methodologies, and a proven track record of leading large-scale IT initiatives.

Responsibilities

Primary Responsibilities:

- Oversee the successful delivery of the **ServiceNow** professional services engagement.
- Manage:
 - Project scope and ensure adherence to the Scope of Work.
 - Project schedule and budget.
 - Contractor resources, including assignment and allocation.
- Act as Scrum Master, facilitating iterative Sprints for the configuration of the ServiceNow® platform.
- Conduct weekly and ad hoc meetings with the Client to discuss:
 - Project status, schedule, accomplishments.
 - Budget and risk management.
 - Upcoming work.
- Provide a weekly written project status report.

Qualifications

Minimum Qualifications:

- Bachelor's degree (or equivalent experience).
- **PMP Certification (mandatory, no substitutions).**
- **7+ years** of experience in project management, including:
 - Managing project scope, schedule, and budget.
 - Leading technical teams on enterprise projects.
 - Risk management and mitigation.
 - Helping customers adopt new IT systems.

Desirable Qualifications:

- Master's or doctorate degree.
- **9+ years** of project management experience, including **4+ years** as a senior PM on large IT projects.
